As a teacher/coach for the above-named individuals, I confirm that I have consulted with each dancer and their respective parent/guardian in order to verify and validate that all parties agree with the following: -

- All individual dancers have been entered into the correct age category
- Understand the risks associated with competition participation and have made this clear to all those participating under my name.
- Accept that there are rules to help reduce the risks of injury and that these must be adhered to at all times and have communicated this to all participating dancers.
- Accept that dancers will not be permitted to take part in the competition if rules regarding jewellery, nails, hair and costume are not adhered to and that dancers will be disqualified from the competition if they do not follow further rules for participation which have been listed in the rules and regulations.
- Acknowledge that the named dancers are physically fit and are voluntarily participating in this activity, with the permission of their parent/guardian.
- If dancers are deemed to be acting in a manner that is not sporting towards other dancers whether in their own team, or an outside team, I accept that they will be asked to leave immediately.
- Acknowledge that the organisers accept no responsibility for any loss or damage to property/valuables during the course of the event.
- Acknowledge that any team may be photographed for use in SDTA promotional material and that all dancers participating under my name and their parent/guardian are aware of this and accept that in taking part they have given their permission to be photographed.
